BATH SPRUDELS®

TRIPLE TREATS!

SPRUDELS CREATE MORE FUN AT BATH TIME

The Sprudel fizzes, slowly releasing a lovely fragrance into the air as it colours the bath water. Hidden inside the Sprudel is a cute sponge Bean character. Children can also learn about colour mixing by placing 2 primary colour Sprudels in the bath at the same time. And mums, they won't stain your bath (or your children!!)

WE LOVE SPONGES

THE FUN CONTINUES

After all the excitement in the bath, children love to play with their sponges in and out of the bath. They stick easily to the side of the tub and are great to make foamy faces cleaner. Out of the bath they stick on felt boards, or can be used for arts and crafts. Collect them all - fun fantasy characters for creative play and learning.

PARTY FAVOURS

A LITTLE BIT OF TAKE-HOME FUN

Let the party continue as you share an original magical favour for your guest to take home. They can add fun and even match the theme of your party. Packs containing 2 Bath Sprudels can be personalised with your child's name and to match your party design. Ask about our discounts for party orders.
